Thank you to each of the businesses that participated in our annual "Best of Baldwin"! This event was very well attended and the students seemed to appreciate the meal, ice cream and chances to win prizes. Many were unaware of some of the services available here in Baldwin City!

The weather for the Joint Chamber Mixer held on September 29th was wonderful and all of those that attended enjoyed a great meal and the chance to network. Thank you to the Gardner Chamber for organizing this annual event!

You are invited to attend a **ribbon cutting** on October 7th at 5pm for 4Ever Young Gifts, 107 7th St. This new gift shop is the yellow building in the lot along 7th St., between Ames & Baker streets.

Have you voted yet for the 8 Wonders of Kansas [People](#)? Any one e-mail address can be used to vote 3 times.

The networking breakfasts during the school year are held on the 4th Friday of the month at the Harter Union at Baker University at 7:30am. Please join us!

Hispanic Heritage Month.

The La Yarda exhibit shares the history of a community of Mexican railroad workers in Lawrence in the mid-1920s. This community was destroyed in the flood of 1951, but the sense of pride of this historic site lives on. The La Yarda Exhibit is courtesy of St. John's Mexican Fiesta of Lawrence, KS. The exhibit in the Old Castle Museum will be open to the public Tuesdays and Thursdays, 1pm-5pm through October 15. More exhibits are being planned for Native American Heritage Month during November.
